

BARABOO AMATEUR BASEBALL ASSN:

Home of Baraboo youth baseball
Baraboobaseball.com

Dear business owners and baseball fans,

Since 2015 Baraboo Amateur Baseball Association has been the backbone for youth baseball in Baraboo for children ages 4-15. Our tried-and-true success in teaching fundamentals and instilling the love of the game for all community-based players has helped establish a strong baseball culture here. We are proud of our players, coaches, umpires, parents, and fans who display a high level of sportsmanship during all BABA associated events on and off the diamond.

We are already looking forward to and excited for what our 2023 season will bring. Our numbers continue to grow across all divisions, from T ball to our 15U teams. With that we face certain "good problem" to have situations, with increased field use demands and wear and tear on facilities and equipment. We are committed to offering the best experience possible and supporting both the city of Baraboo and the Baraboo parks commission to ensure this happens.

As we look at what we need to invest in for next season, here is a list of what we expect besides our annual city park usage fees, umpires, insurance costs, utilities, and webpage/registration setup maintenance.

1. New infield and edging on Pierce Park #3 - \$12,000
2. Equipment updates for all divisions - \$5,000

In order to meet these financial needs and any unforeseen expenses, we are asking our business partners to participate in our new sponsorship levels.

If you are able to support Baraboo youth baseball with a tax-deductible sponsorship donation, we sincerely appreciate it! Thank you for your consideration, and we wish you nothing but the best in 2023!

Sincerely,

Judd Cassity
President
